

# Diana Fernandez

*Diana Fernandez is an alumni of St. John the Apostle Catholic School. Ever since she can remember she always wanted to be a teacher and follow in her grandmother's and aunt's footsteps. She graduated from St. Thomas University with a Bachelor's Degree in Elementary Education. She has been at St. John the Apostle School since 1986. She holds an Elementary Education Certificate from the state of Florida to teach grades 1st thru 6th. She also has completed her Catechist Certification from the Archdiocese of Miami. Diana is also a Minister of the Holy Eucharist here at St. John the Apostle Church. Her passion is to teach and to see the faces of her students light up when they finally understand the matter that she is teaching. She always considers her students, no matter how old they are, "her children".*
